

## **ModelCom – Introducing Business Valuation Services**

Montreal, June 30<sup>th</sup>, 2009 - ModelCom, a leading consulting firm focusing on business modeling and consulting services for growing and established companies, is proud to announce that Francis Paquet has received the Chartered Business Valuator (CBV) designation. The title of CBV is granted by the Canadian Institute of Chartered Business Valuators (CICBV) and accredited by the Canadian Institute of Chartered Accountants (CICA). Mr. Paquet is also a member of l'Ordre des ingénieurs du Québec and holds a Master of Science in Telecommunications from the Institut national de la recherche scientifique.

Presently established in the corporate finance sector, ModelCom complements its services offering by providing an accredited service in business valuation aimed towards the satisfaction of its clients' needs regarding financial reporting, shareholders' relationships, and more generally, financial transaction advisory support.

"The ability to convey opinions regarding the value of a business is complementary to ModelCom's existing services and fulfills the need identified by our clients" has stated Frédéric Lavoie, President and General Manager of ModelCom.

### *About ModelCom*

Founded in 1995, ModelCom has contributed to the success of over 125 clients through its effective business plans and financial models. With support from ModelCom, clients have raised over \$2.5 billion in financing.

### *About the Canadian Institute of Chartered Business Valuators*

Established in 1971, CICBV's mission is to promote and develop the profession of business valuation. Over 1,000 CBVs across Canada apply their skills in a wide variety of areas including business securities valuation, financial litigation support, mergers and acquisitions, and corporate finance advisory services. CICBV members must adhere to a strict Code of Ethics.
