

## **Laurent Naud, M.Sc., CFA**

### **EXPERIENCE**

Laurent Naud joined ModelCom in January 2004. His expertise is in financial modelling, which he developed through his formal studies and work experience at various companies in the banking industry, including venture capital, high-tech, and telecommunications companies.

In recent years, Laurent has worked on two large-scale merger and acquisition projects. He has also developed several financial models and business plans for the funding and budgeting of start-ups. He has also developed various valuation models for operational, commercial, and strategic projects.

Laurent holds a Bachelor in Business Administration as well as a Master of Science in Finance (with specialization in venture capital investment). He also holds the title of Chartered Financial Analyst (CFA). Currently, he is completing the CICBV program, which will allow him to obtain the Chartered Business Valuator designation.
