

**Luc Vincent, CA, MBA**  
Founding Partner

**EXPERIENCE**

Luc Vincent is the founding partner of ModelCom. He also founded two other companies: Kerosene, which specializes in executive search for finance and accounting professionals; and GIM - Risk Management, which he sold in 2006 to DMR, a division of Fujitsu.

As an entrepreneur in professional services, Luc has taken part in several major projects. From 1994 to 2002, he was an associate at Telesystem, where he oversaw more than fifty capital-venture mandates designed for business recovery and to fund start-ups in the field of innovative technology. He was actively involved in IPOs for both Microcell and TIW.

In the past five years, Luc has focused on corporate management. In 2003, he was chief financial officer at LocusDialog. From 2004 to 2006, he was president and chief executive officer at GIM – Risk Management. From 2006 to 2009, he was Vice-President and General Manager at Accelia (DMR's compliance division), and strategic consultant for DMR.

In addition to his role as a strategic consultant, Luc is responsible for the financial interim services of ModelCom.

Luc is a member of the Ordre des comptables agréés du Québec and holds a Master in Business Administration (MBA for Managers).
