

Martin Le Comte

EXPERIENCE

Martin Le Comte joined ModelCom in August 2009. His career experience includes financial modeling for various companies in the banking industry and hydro-electricity industry.

Over the past few years, Martin has acquired a vast experience in IT and database management systems, for small and large data processing. He has also developed several financial models and business plans for strategic projects and risk management systems.

Martin Le Comte holds a Bachelor in Business Administration and a Master of Science in Finance. He is completing studies which will allow him to obtain a Certified General Accountant (CGA) designation.
